

Mobile kitchen

Price Includes:

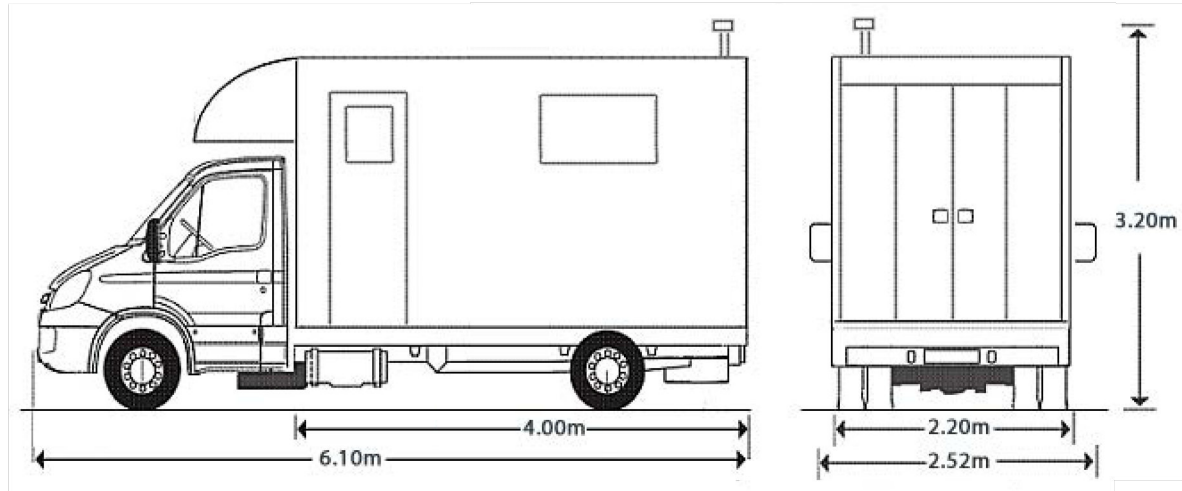

- 1 x Lovely and helpful driver
- 1 x Electric combination oven
- 1 x Four-burner gas hob
- 1 x Microwave
- 2 x Under-counter 2/3 door glass front fridges
- 1 x Under-counter freezer
- 1 x Sink with hot and cold water
- 1 x 19kg Butane gas cylinder

Power Requirements:

1 x 32amp electric hook up will power everything included as standard. We can also supply a generator to power the standard set up. Extra equipment could require an additional power supply.

Options:

There is space to add further equipment to suit your specific requirements, e.g. deep fat fryer, griddle, extra ovens, under-counter freezer etc
If you need even more space we can supply a white rain tent to extend your working area.
Alternatively, we can kit out one of our slightly larger 3.5t Luton vans with the equipment you need.

*one oven comes as standard
